

Doc App

1. ENTRY

a) First usage

Hand-drawn sketch of a mobile app screen titled "Welcome!". It features three input fields for "email" and "password". Below the password field is a "SIGN UP" button. A dashed horizontal line separates this section from the bottom section, which contains two buttons for "facebook" and "google". At the very bottom, it says "Returning? SIGN IN".

1. Sign up

Hand-drawn sketch of a mobile app screen titled "Create Profile". It includes a small square profile picture placeholder, followed by input fields for "name", "phone", and "email". Below these is a "DETAILS" section with three bullet points: "Study", "Experience", and "Area of Expertise". A "SUBMIT" button is located at the bottom right.

2. HOME

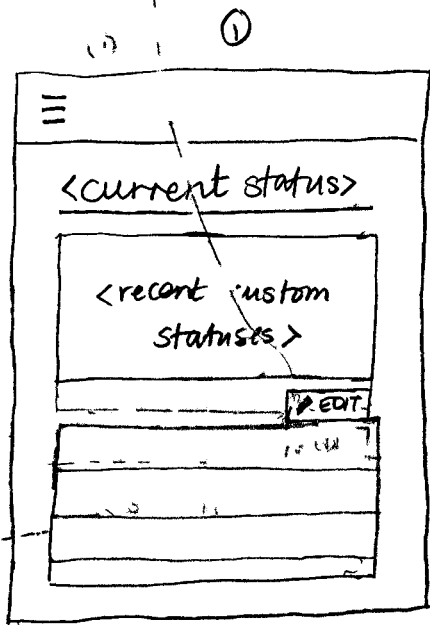

b) Return usage

Hand-drawn sketch of a mobile app screen titled "Welcome!". It features three input fields for "email" and "password". Below the password field is a "SIGN IN" button. A dashed horizontal line separates this section from the bottom section, which contains two buttons for "facebook" and "google". At the very bottom, it says "New? SIGN UP".

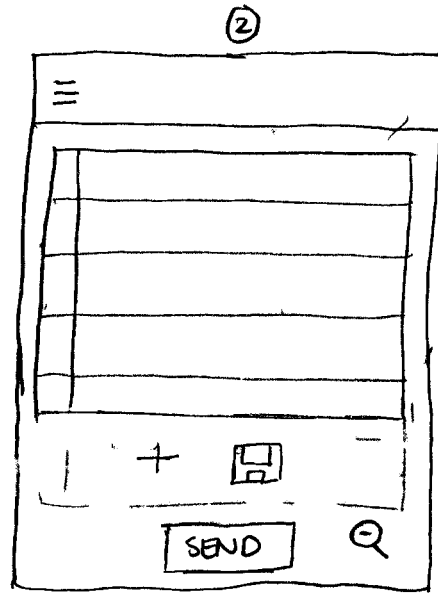

Hand-drawn sketch of a mobile app screen titled "HOME". It has a hamburger menu icon in the top left. The main content area is divided into three sections, each with a numbered annotation: (1) a box containing "< current status" and an edit icon; (2) a large box containing "< today's schedule >"; and (3) a button at the bottom labeled "SEE WEEK VIEW".
